

## **Ignasi Martí Ragué, Director of Institutional Relations at Almirall**

**Barcelona, 31 March 2011.-** Almirall announces the appointment of Ignasi Martí Ragué as Director of Institutional Relations, reporting to the General Management Spain. His main mission will be to convey to healthcare managers and society in general the value of the therapeutic solutions offered by Almirall.

Ignasi has a degree in Medicine and joined Almirall in 1983. During his 27 years' experience in the pharmaceutical sector he has held a variety of positions of responsibility in the Medical, Marketing and Commercial departments. For the last 12 years he has been Commercial Director of one of the Almirall divisions. Ignasi will contribute his experience and strategic perspective of the pharmaceutical environment to the field of relations with the Government Administration and other stakeholders.

### **Almirall**

Almirall is an international pharmaceutical company based on innovation and committed to health. Headquartered in Barcelona, Spain, it researches, develops, manufactures and commercialises its own R&D and licensed drugs with the aim of improving people's health and wellbeing.

Almirall focuses its research resources on therapeutic areas related to the treatment of asthma, COPD (Chronic Obstructive Pulmonary Disease), gastrointestinal disorders, psoriasis and other dermatological conditions.

Almirall's products are currently present in over 70 countries while it has direct presence in Europe and Latin America through 12 affiliates.
